OUR STORY

THE FLORIDA KEYS DREAM

As many visitors know, the Florida keys are an enticing community of islands that mesmerize the senses. The newly designed Long Key Bar And Grill at Lime Tree Bay Resort captures the two most exciting elements of The Keys: a relaxed island patio bar setting with a crisp, bright dining room serving tasty island dishes. Our team of hospitality professionals come from around the world and each settled in The Keys for the same reason - relaxation and comfort.

We are proud of our management team, culinary leaders, and service staff, and know you will be as smitten with The Keys as we were when we decided to drop everything and follow a dream to paradise! Amy and Angelo
